CATHOLIC IDENTITY

BELIEF STATEMENTS

- Develop personal relationships with Christ
- Collaborate as partners between family, school, parish, and community to foster faith formation
- Build relationships and trust between staff and students
- Provide a structured environment which fosters respect for authority and encourages collaborative learning
- Challenge students with a curriculum that is dynamic and responsive to the changing needs in society

MISSION

Building on the legacy of our parishes, families, and alumni, the mission of Norwalk Catholic is to guide students to cultivate a personal relationship with Christ rooted in the Catholic tradition and to educate students in a rigorous academic environment to serve and lead in the global community.

CULTURE

Our culture is what drives our beliefs, expectations, and behaviors. As such, we are committed to:

- Communicate and teach our standards relentlessly
- Live our standards proudly
- Hold each other accountable to our standards consistently

Flyers are people who are respectful and respectable, people who are reliable and trustworthy. Being a Flyer means that you are someone who puts your best foot forward. Someone who is kind and helpful. Someone who holds the door, someone who uses manners, someone who does their best under every circumstance. Being a Flyer means that you put in effort to grow and learn as much as you can. You are dedicated to developing your God-given gifts to their fullest potential. You work on bettering yourself in your education and faith, so that you can support and communicate with the people around you. Flyers embrace the differences. Most importantly, Flyers are people who strive to reflect God's unconditional love towards others.

RELIGIOUS PARTICIPATION

All Catholic and non-Catholic students of Norwalk Catholic must attend religion classes, retreats and all school religious activities. Liturgies, retreats and penance services are scheduled on a regular basis. Attendance at class retreats is a required experience for our students. Other functions such as prayer services are scheduled periodically. Very rarely are exemptions given for students to forego a retreat opportunity. It is at the discretion of the principal if a student may or may not attend a class retreat. If a student misses a class retreat experience held during the school day, not requiring an overnight stay, they will be expected to make up for the experience with guidance from the campus minister and principal.

SACRAMENTS

Students will participate in Mass and have the opportunity to receive the Eucharist regularly as part of the school day. The Sacrament of Reconciliation is offered throughout the school year. For specific sacramental preparation information, contact your local parish.

LITURGY

All-school liturgies are celebrated throughout the year. Opportunities to attend a liturgy during school hours occur weekly and on Holy Days of Obligation. Liturgies are school functions. All students are required to be in attendance. Students are to proceed to the worship area in a respectful and orderly fashion. During the liturgy, students are asked to participate in a manner appropriate to the particular worship experience. Participation includes times of responsive prayer, singing, reflective listening and quiet reflection. Reverence for Christ in the Eucharist is to be shown at all times.

SERVICE LEARNING

Norwalk Catholic/St. Paul High School's mission is, in part, to cultivate a relationship with Jesus Christ. Through this relationship, students are strengthened as servant leaders and encouraged to carry out the Gospel through a "living, conscious and active" faith. It is essential for students to be of service to others and to be empowered to act as the voice and hands of Jesus. Through learning about the needs of those in the community and world, and being involved in direct service and/or advocacy to these needs, students will ultimately gain a better understanding of the suffering and injustice in our world. A servant leader learns that it is not just "what is given or done" in direct service to others, but more importantly about "who is encountered." These encounters with others, self and a loving God, helps to grow love and understanding for the dignity and needs of others, their own dignity and needs, and the God who journeys with them.

The best example of Christian Service and Servant Leadership is Jesus washing the feet of His disciples (John 13:1-17). This action is a shift in roles, Jesus as Lord and Master places Himself in the lowest position of the time by modeling how all are called to be a servant leader through service and friendship. Ultimately, emulating the example of the greatest servant leader, we know that one must be: Christ-centered in all aspects of life, be committed to serve the needs of others, have the courage to lead with both power and love, work to nurture others as servant leaders, and continually invite feedback from those they serve.

Therefore, to foster Christian Service Servant Leaders, the model of service and leadership must include age appropriate elements of process oriented intentional planning, direct hands on experiences, and reflection. Without these elements, the experiential opportunities to learn about and serve those in need will be diminished.

To better serve our community, students from all grade levels are involved in service to the community. For example, our young ones can learn about the needs of the community and then be involved in collection drives and money donations. As students learn and gain more understanding of the needs within the local community, they will have more opportunity to be paired with service based organizations and clubs for direct involvement, while also continuing to serve through collection drives and money donations. Ultimately, older students will dive deeper into community service based organizations, along with the direct needs of people in the community, culminating in an individual or group senior service community experience.

GENERAL INFORMATION

ADMISSIONS

Families interested in pursuing an education at Norwalk Catholic are encouraged to fill out an online application. Once the application is completed, families will meet with the building administrator and school counselor to review their academic credentials. A student's eligibility for admission to Norwalk Catholic is ultimately at the discretion of the building administrator with appropriate input from school counselors and faculty from both Norwalk Catholic and present school of choice.

WITHDRAWAL & TRANSFER

Families wishing to withdraw or transfer from Norwalk Catholic need to have their new school of choice contact the appropriate Norwalk Catholic campus main office to request transcripts to be sent to the new school. These requests are fulfilled within 72 hours. Parents and legal guardians may request and be granted access to their student's records at any time.

REGISTRATION

A student is considered to be enrolled after the registration form and fee have been received, the administrator confirms the availability of space and tuition payment plans are in place through the Tuition Manager.

All new students must meet with the building administrator before being accepted. The school reserves the right to refuse admission or readmission, to suspend or unenroll any student at the discretion of administration.

RECORDS

Health records and academic records must be up to date. Upon enrollment, request forms in the office must be signed to obtain records from the previous school. Changes in the medical history of a child should be sent to the school in writing, so additions may be made on the record. Allergies should be noted, as well as special medications the child is taking.

CHANGE IN STUDENT INFORMATION

Parents/Guardians are responsible for updating any change in student information throughout the year. Notification of changes must be shared with the building secretary within 1-2 school days after implementation.

CUSTODIAL DOCUMENTS

It is state law (ORC 3313.672) that the school must have a certified copy of the court order concerning custody. This procedure is for the family's protection as well as the school's. If there is a change in the document, the school must have a certified copy of the changes on file or the school will abide by the copy which is presently on file at the school. If the school does not have these documents on file, the school will assume that both parents have equal rights.

BUS TRANSPORTATION

Bus transportation is provided within State guidelines by the public school district in which the student resides. Contact the public district of residence for transportation requests. All school regulations are in effect and are to be followed while the student is riding the bus.

JON PETERSON SERVICES

For the 2026-2027 school year Norwalk Catholic may provide Educational, Intervention, and/or Aide Services for students that have applied for, been awarded, and accepted the JPSN Scholarship. Students on JPSN Scholarship are not eligible for EdChoice Scholarship to pay for tuition.

ELEVATOR

Only students who have a valid medical reason for not climbing stairs may use the elevator during the school day. Students requesting permission to use the elevator must obtain a pass from the school office.

SCHOOL COUNSELORS

The School Counselors provide more specialized services for students who require an adjustment to the educational program. Counselors are available to discuss any situations in a student's life as requested by the student or parent. Students may come to the school counselor before and after school, during study halls and lunch periods.

LUNCHROOM

Students may bring a complete lunch or purchase all or part of it from the school cafeteria. Students must remain in the cafeteria area during the lunch period. Students are expected to clean their table, remove all trash, and deposit it in the containers provided when leaving the cafeteria. Bathrooms in the cafeteria may be used during the lunch period. All students must spend the lunch period in the cafeteria unless attending an approved meeting.

POWERSCHOOL

Passwords allow all parents to have access at any time to a student's current progress in any class. In the event that a student has outstanding fines, fees or other liabilities, PowerSchool access may be deactivated until all obligations have been satisfied.

LIBRARY

Books and periodicals are loaned for a period of two weeks and renewed as needed. Reference materials, videos, and current periodicals are not loaned. Fines are \$.10 per day, per item.

There is no fine for weekends, holidays, illness, or days the library is closed. Replacement of lost or damaged materials will be at current prices. The library has several databases for student and faculty use in addition to the Internet.

FUNDRAISING

All fundraising for any group in the school must be approved by the president of the school.

LOST AND FOUND

Lost and Found is in each school office. Articles may be turned in and claimed during the school day.

TEXTBOOKS

Textbooks for all courses are provided to students free of charge. Students are responsible for proper care of these textbooks (including covering them) and must return all books at the end of the course. A student who loses a textbook or returns a damaged book will be charged accordingly.

NON-DISCRIMINATION POLICY

The governing board of Norwalk Catholic located at 93. E. Main Street in Norwalk, Ohio 44857 has adopted the following racial nondiscriminatory policies. Norwalk Catholic recruits and admits students of any race, color, or ethnic origin to all its rights, privileges, programs and activities. In addition, the school will not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, employment, scholarship and loan programs, and other school administered programs. Norwalk Catholic will not discriminate on the basis of race, color, or ethnic origin in the hiring of its certified or non-certified personnel.

ONE2ONE TECHNOLOGY REPAIR PLAN (TRP)

In order for students to have working Chromebooks for school use, Norwalk Catholic recognizes that devices may need occasional repair. These repairs are a shared responsibility between the school and home. The first \$50 of any repair is the student's responsibility, all additional costs of the repair will be absorbed by Norwalk Catholic up to the cost of a replacement device. If the Technology Department determines the damage is not due to normal usage and is due to student misuse or abuse of the device, the student will be responsible for the full cost of the repair or replacement. In addition to the policy above, students are responsible for the full cost of any power supply replacement.

If a Device is Damaged or not working properly

For grades 7 through 12 the student must take the device to the High School Office and fill out a work request that describes the issue. The Technology Department will evaluate the device on a first come first serve basis. A loaner device may be supplied during the time in which the issued device is being repaired. Loaner devices are only available to students that have submitted a damaged or inoperable device to the High School Office or Technology staff, that has been deemed accidental and repairable.

For grades Kindergarten through Sixth, students must inform the teacher if a device needs repair. A loaner device may be supplied during the time in which the issued device is being repaired.

AMENDMENTS TO HANDBOOK

The administrator is the final recourse and reserves the right to amend this handbook at any time. Parents will be given prompt notification. Policies in this handbook apply to after school hours as well.

STUDENT WELLNESS

IMMUNIZATION REQUIREMENT

Norwalk Catholic requires students to be properly vaccinated. Proper documentation of legal exceptions must be presented and kept on file.

COMMUNICABLE DISEASES

Norwalk Catholic has a full-time nurse and multiple staff members trained and certified in first aid and in recognizing communicable diseases.

Disease Prevention—Hand washing is the most effective measure to prevent the spread of disease. All students and staff use thorough hand washing before handling or eating food, and after toileting or wiping noses. As much as possible, students are encouraged to manage their own handwashing with help like step stools, soap, accessible towels; adults instruct and observe students for proper handwashing procedures. Hand sanitizer is readily available to all students.

Upon arrival at school, your child will be observed for signs of illness. If your child has any type of skin infection or wound drainage, please inform the school office. Depending upon the skin infection, your child may be excluded from school (in accordance with the Ohio Department of Health guidelines). If your child displays any of the following signs or symptoms before coming to school, please do not send your child to school.

Signs and Symptoms of Communicable Disease:

(The following are cause for immediate dismissal from school)

- Diarrhea (more than one abnormally loose stool within a 24-hour period)
- Severe coughing, causing the child to become red or blue in the face or to make a whooping sound
- Difficult or rapid breathing
- Yellowish skin or eyes, or yellowish discharge from the nose
- Conjunctivitis ("pink eye")
- A temperature of 100 degrees or higher, especially in combination with any other signs of illness
- Untreated infected skin patches
- Unusually dark urine and/or gray or white stool
- Stiff neck
- Unusual spots or rash
- Sore throat or difficulty swallowing
- Vomiting in the previous 24-hour period
- Evidence of lice, scabies or other parasitic infestation

If a communicable disease is suspected, the child's parent, guardian or designated emergency contact will be contacted by telephone. A form may be sent home stating that it will be necessary for the child to see a doctor for diagnosis and treatment before returning to school. If your child may have been exposed to a contagious disease, you will be notified and informed of signs and symptoms to watch for. If a child has a communicable disease listed below, the return policy will be as follows:

Chicken Pox: Students may return to school after seven days if scabs are crusted over and dry.

Scarlet Fever and Streptococcal Sore Throat: Students may return after 24 hours if they are under the treatment of a physician and have no fever.

Eyes: Any child with a reddened or inflamed eye may be excluded until the eye has completely recovered or there is a doctor's statement allowing his/her return.

Skin: Any child with a skin rash or sores such as scabies or impetigo may be excluded until the skin is clear or there is a doctor's statement allowing his/her return.

Head Lice & Bed Bugs: Norwalk Catholic maintains a nit free policy in regards to lice; students with lice or nits will be excluded. Parents of a student with lice will be notified and will be expected to come to school to pick up their child. Students are excluded from school and may return only after disinfestations are complete and the school nurse has re-checked the child upon their return to school. Additionally, parents will be notified when lice are present in their child's classroom. For bed bugs, students will be checked by the school nurse prior to entering class, to ensure bed bugs are not brought into the building. Items such as coats and bookbags will be placed in separate bags to lower

the risk of transmission to other student items.

MEDICATION

Doctors and nurse practitioners are the only persons qualified to prescribe medications. The diagnosis and treatment of illness and the prescription of drugs, medications, preparations, or remedies is the responsibility of a family physician, not the responsibility of the school or any of its employees, including nurses. Both state and federal law restrict what medication may be administered by nurses or other authorized school personnel. The cooperation of physicians, parents, and school personnel in overseeing the administration of prescribed medication to students is critical.

The school should not routinely administer any non-prescribed (over-the-counter) drugs, medications, preparations, or remedies without the parents' approval. Responsibility for overseeing the administration of non-prescribed medication rests solely with the parent or legal guardian and the student. It is preferred that parents personally administer medication to their children before or after school, at recess, or over the lunch hour.

In those special cases where a student needs to take prescribed medication during the regular school day while at school, but a parent cannot personally administer it, a written parent permission slip must be submitted. The forms may be found in the main office of each building.

For all medication, the following rules shall apply:

- 1a. **PRESCRIPTION MEDICATION:** Whenever a student must take prescribed medication during school hours, the appropriate physician request and parent release forms must be on file in the student's health folder and available to the person designated by the school before the student will be allowed to begin taking the medication in school. The prescription medication must be in the original container and should be labeled with the following information: student's name, name of physician, date, name and telephone number of pharmacy, name of medication, dosage, frequency, and any special handling and storage directions.
- 1b. **OVER THE COUNTER MEDICATION:** Whenever a student must take over the counter medication during school hours, the appropriate parent release form must be on file in the student's health folder and available to the person designated by the school before the student will be allowed to begin taking the medication in school. The over the counter medication must be provided to the school in the original container with the student's name and parent/guardian's name and phone number.
2. Medication in the original container is to be brought by a responsible person to the nurse's office for safe keeping.
3. At each school or location, all medications are to be kept in a secure and safe storage unit not accessible to students.
4. The parent/guardian is responsible for seeing that the school is supplied with an adequate supply of medication.
5. Any unused medication not claimed by the last day of school each year will be properly disposed of in accordance with proper guidelines.
6. It is the responsibility of the parent or legal guardian to instruct the child to report to take the medication at the designated time. Efforts will be made by school personnel to communicate a student's

medication needs to teachers or other appropriate staff members.

7. A log shall be kept for each medication in the student's health folder, on which the school personnel will note at that time each occurrence of overseeing the student taking his/her medication.

8. New request forms must be submitted by the parents each school year and whenever the medication or dosage is changed.

9. All the above rules relate to the non-emergency overseeing or administration of prescribed drugs. In a medical emergency, the parent/guardian will be notified and appropriate arrangements made for immediate medical attention.

10. Strict adherence to the above rules is necessary to protect the student, person(s) designated to administer the medication, and the school.

SICK DURING SCHOOL DAY

If a student becomes ill during school hours he/she must report to the office. Students will not be sent home unless the school has been able to contact the parent/guardian. Students are not to call home themselves.

ATTENDANCE

If a student is unable to attend school, parents must notify the appropriate school office:

High School office at 419-668-3005 by 8:15 AM

Elementary School office at 419-668-6091 by 8:45 AM

Early Childhood office at 419-668-8480 by 9:00 AM

Attendance laws apply to students ages 6-18. Required activities must be attended by all students, unless specifically excused by the building administrator. These include, but are not limited to:

1. All assigned classes and study halls
2. Mass and all special religious activities and services
3. Assemblies and pep rallies
4. Scheduled religious retreats

Attendance is taken at the beginning of every period in the JH/HS.

Attendance is taken at the beginning of the school day at the Early Childhood and Elementary.

Attendance for students arriving late or leaving early must be tracked and recorded.

Any student with parent/guardian permission to leave the building or campus during the school day must sign out in the office on the appropriate form and sign in when returning.

Any student missing more than half of any class will be considered absent for that period for grades 7-12.

Unless a student obtains prior approval from the office, a student who comes to school after 11:00 am or is sent home due to illness during the school day will not be eligible to take part in any type of after school activity.

If parents wish to have their son or daughter leave the school grounds during school hours for such things as doctor appointments, a written request is to be submitted to the principal or his/her designee

at the beginning of the day to be dismissed.

The following factors to be legitimate excuses for time missed at school:

- A. personal illness (a written physician's statement verifying the illness will be required for illness greater than 2 school days)
- B. appointment with a health care provider (a written note confirming the appointment from the healthcare provider is required)
- C. illness in the family necessitating the presence of the child
- D. quarantine of the home
- E. death in the family
- F. such good cause as may be acceptable to the building administrator
- G. college visitation

COLLEGE VISITATION AND JOB SHADOWING

A student visitation to a college is encouraged to assist the student in making the best choice for future plans. To insure proper use of this day and for the safety of all students involved, the following guidelines need to be followed:

- Juniors and seniors will be granted two days per year to visit colleges. Additional day(s) may be granted at the discretion of the building principal.
- A visitation appointment must be made with a representative of the college/university and verified to the high school counselor or principal.
- One (1) job shadowing day per year per student. Verification will be required.

VACATION DAYS

Student vacation days will count toward total absences from class. School work may be made up. Up to 5 days of vacation will be excused. However, be aware consecutive days of excused absences will count toward student excessive absence totals per House Bill 410 and families may receive written notice. Permission must be obtained from the principal by the parent/guardian at the office no later than three (3) school days prior to the start of the vacation. Homework is the student's responsibility.

FIELD TRIPS

Students are encouraged to participate in the various school sponsored field trips throughout the school year. Written permission from the parent/guardian must be obtained at least one day prior to the field trip. Only students in "good standing" will be permitted to attend a field trip. The building administrator will determine a student's eligibility for a field trip as necessary. A student in "good standing" must have:

- passing grades in all his/her classes
- have met all school financial obligations (i.e. school fees, return of school equipment) or have made arrangements for a payment plan
- good discipline record
- good attendance record (if a student has been absent an unusually large number of days, it is not recommended that he/she participate in a field trip). A student, who has paid for a field trip and does not participate in the event, may forfeit the money paid for the trip.

MAKE-UP WORK

It is the responsibility of the student to arrange for make-up work following an absence. Students shall have the number of days missed to make up missed work.

TARDINESS

All tardies are unexcused unless accompanied by a doctor's note. Oversleeping, car trouble, and missing a ride are examples of unexcused tardiness. The building administrator or his/her designee shall make the final determination between excused and unexcused tardiness.

All students are expected to arrive at school and class on time. Tardiness is the late arrival to school at the beginning of the day, to subsequent classes, or to other required activities. The building administrator will determine whether a tardy is excused. Students are tardy:

St. Paul High Tardy 7:56 AM - 8:20 AM

Elementary Tardy 8:16 AM - 8:40 AM

Early Childhood Tardy

Morning Preschool & Kindergarten 8:31-8:55 AM; Afternoon Preschool 12:21-12:45 PM

Anything beyond the tardy timeframe will be calculated as a half day or full day absence.

As the students accumulate tardies for their first period class for grades 7-12 or late to school for grades K-6, the following consequences may result:

- 4 tardies may result in a minimum of One (1) Detention
- 8 tardies may result in a minimum of Two (2) Detention
- 12 tardies may result in a minimum of a 2-hr Saturday School and notification
- 16 tardies may result in a minimum of a 4-hr Saturday School and notification

For grades 7-12, the tardies for the second period to the end of the school day will be managed by individual teachers following the tardy referral process. Late arrivals in the morning will be counted tardy prior to the end of the second period. After that time a one-half (1/2) day absence will be recorded. Late arrivals are to produce a written excuse from their parent/guardian or a doctor/dentist.

ABSENCE INTERVENTION PLAN AND TEAM

Once a student has missed:

- 15 consecutive hours or 21 hours in one school month or 35 hours in one school year WITHOUT a LEGITIMATE EXCUSE, it is policy to notify his/her parent/guardian of these absences.
- 30 or more consecutive hours or 42 or more hours in one school month, or 72 or more hours in a school year WITHOUT LEGITIMATE EXCUSE, they will be assigned to an Absence Intervention Team, where an Absence Intervention Plan will be created, and a complaint may be filed with the Huron County Prosecutor's Office.
- Students have 60 days to successfully implement their Absence Intervention Plan. If they do not make progress on the plan, as determined by the Absence Intervention Team, the school must file, by law, a complaint in juvenile court on the 61st day after the implementation of the Absence Intervention Plan. At any time during this plan, if the student is absent without legitimate excuse 30 or more consecutive hours or 42 or more hours in one school month, or 72 or more hours in a school year a complaint will be filed in juvenile court.

- 21 hours during a single school month or 42 or more hours this school year WITH OR WITHOUT A LEGITIMATE EXCUSE, it is policy to notify his/her parent/guardian of these absences.
- 38 or more hours in one school month, or 65 or more hours in a school year WITH OR WITHOUT A LEGITIMATE EXCUSE, they will be assigned to an Absence Intervention Team, where an Absence Intervention Plan may be created.
- Out-of-school suspension days may count towards the total number of days absent from school. In-school suspension days will not count as days absent from school.

In order to address the attendance practices of a student who is habitually truant, the Absence Intervention Team may, as part of an Absence Intervention Plan, take any of the following intervention actions:

- A. Provide counseling to the student
- B. Make up missed hours of instruction
- C. Interventions and consequences outlined in the Student Code of Conduct
- D. Other interventions or consequences as determined appropriate by the team

EDCHOICE

A student's scholarship will not be renewed by the State of Ohio for a subsequent year if the student accumulates more than 20 unexcused absences in a school year. If a student is not awarded an EdChoice Scholarship throughout the school year for any reason, including attendance, the family is responsible for the remaining tuition balance.

DISMISSAL

Permission to leave the building may be granted through a parental or guardian phone call, written request, or email to the school office. Written excuses from parents or guardians for doctor or dental appointments should be presented to the administrative assistant on the day of the appointment. Verification from the doctor's office appointment is required to qualify as an excused absence. Students in the Early Childhood and Elementary will be dismissed at the main office and must be signed out by an adult.

TEMPORARY GUARDIANSHIP

When parents are going to be out of town, the school office should be notified in advance as to the adult who will be responsible for the student in his/her parents' absence.

SAFETY

FIRE DRILLS

Students are to familiarize themselves with evacuation routes and procedures which are posted in all rooms of the building; exit the building in silence; maintain single file lines and remain with the class.

LOCK DOWN

When a lock down is announced, all students and staff are to lock themselves in the classroom or other designated area, remain silent and out of sight until an all clear announcement is made.

RAPID DISMISSAL DRILL

A Rapid Dismissal Drill is used when ordinary Fire Drill procedures cannot be used.

TORNADO DRILL

Tornado Drill procedures are posted in each classroom. In the event of a drill or actual emergency, proceed in an orderly manner to the designated area. Personal protection is important. Remember to keep heads down, knees drawn up with the back of the head covered with hands. Keep away from glass doors and windows.

TRESPASSING

Norwalk Catholic maintains a closed campus for the safety and security of all students and staff. Persons coming on campus whom the administration deem to have no legitimate business may be subject to trespassing charges and will be reported to the appropriate law enforcement agencies. Students who are under suspension are not to be on school grounds at any time during suspension.

VISITORS

Visitors are welcome to Norwalk Catholic while classes are in session. Visitors to the school are to first report to the main office of the school they are visiting. Visitors must sign in and are required to wear a visitor's badge. Admittance to the school during school hours is by the main entrance doors only. All visitors must be approved in advance by school administration.

GUESTS (STUDENT)

Students will not be permitted to bring visitors into the school building during school hours unless previous arrangements have been made with the administrator or school counselor.

CELL PHONE POLICY

Being a Flyer means that you put in effort to grow and learn as much as you can. You are dedicated to developing your God-given gifts to their fullest potential. You work on bettering yourself in your education and faith, so that you can support and communicate with the people around you. To best do this, our students must be present, mindful and free from distractions. Limiting the use of cell phones/wearable technology during the school day is not only important to learning but also further cultivating a stronger community by putting emphasis on interpersonal communication and interaction.

Research shows that student use of cell phones/wearable technology in schools has negative effects on student performance and mental health. Cell phones/wearable technology, specifically with access to calling, texting, messaging and social media, distract students from classroom instruction, resulting in smaller learning gains and lower test scores. Increased cell phone use has led to higher levels of depression, anxiety, and other mental health disorders in children.

For all students in our school, cell phones, smartphones, wearable technology, and earbuds are not to be accessed from arrival on campus until the school day is over, including lunch and in areas such as restrooms, hallways, classrooms, etc. It is highly recommended that wearable technology, such as smart watches not be brought to school. Cell phones should be stored in the students backpack and powered off. Additionally, some classrooms are equipped with a carrier and it is the expectation that all student phones will be placed in the carrier at the beginning of class. Students will have the opportunity to retrieve their cell phone at the end of each class period. Cell phones are not to be used in any manner during the school day.

Exception: Nothing in this policy prohibits a student from using a cell phone for a purpose documented in the student’s Service Plan or for medical needs. Students that receive an exemption must have approval from the building administrator and the building administrator will notify staff. Devices used inappropriately during the school day may be confiscated by the teacher and/or administrator as well as receive disciplinary consequences for violation of this policy. Repeat offenders of this policy may be subject to further disciplinary consequences.

Learning Compact

Norwalk Catholic and the parents of students participating in activities, services, and programs agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement. This compact outlines the means by which the school and parents will build and develop a partnership that will help children achieve Ohio's high standards.

As a school, we will:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet Diocese of Toledo and Ohio's student academic achievement standards
- Hold parent-teacher conferences to discuss the individual child's achievement
- Provide parents with frequent reports on their children's progress
- Provide parents reasonable access to staff
- Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities
- Communication: Students can expect teachers to clearly describe expected behavior, course policies, criteria on which they will be graded, and any course changes.
- Preparation and Organization: Students can expect teachers to be well-prepared for class activities and maintain sufficient organization for the functionality of the course.
- Feedback: Students can expect teachers to provide feedback, either through reasonably prompt graded assignments, or written and oral comments.
- Expertise: Students can expect the teachers to be well qualified about the subject they teach and to provide real-world applications of the material.
- Respect: Students can expect teachers to be respectful of their privacy and to avoid denigrating the student when circumstances cause the student's performance to be less than optimal.

Expectation for Behavior

Behavioral expectations in all buildings are defined using three fruits of the Spirit: Joy, Kindness, and Self-Control. Students are taught these expectations and are expected to meet them.

Below is an example of the expectations in a classroom setting:

Joy	Kindness	Self-Control
● Active learners ● Engaged ● Prepared	● Raise hand to speak ● Listen to others ● Work cooperatively ● Volunteer to help others	● Appropriate tone, volume, and language ● Keep your eyes on your own work ● Keep hands and feet to yourself

The expectation for behavior is taught and reinforced throughout the school. When students make positive behavior choices, they will be acknowledged and experience success. When students make behavioral errors, they will receive instruction and interventions to help them make better choices.

Levels of Interventions/Consequences

The Student Code of Conduct shall apply to all students at all times.

As with any incident of student behavior, school administrators must exercise informed judgment as to whether a student's actions constitute a violation of policy and/or regulation. The levels, shown on the following pages, guide administrators to use progressive interventions to change student behaviors.

Interventions are a continuum of proven activities, supports, and programs to promote students' social, emotional, and behavioral health. Interventions are employed by school staff or administrators and are intended to reduce continued and/or escalation of inappropriate behaviors or violations of the Code of Conduct.

Consequences are actions taken by school staff or administrators in response to a violation of the Code of Conduct. Interventions and Consequences may be used simultaneously.

The administrator always has the option to use an Intervention or Consequence from a lower level as long as one from the prescribed level is also employed. Moreover, if a behavior is deemed a criminal offense by local authorities, and such offense is not identified in this Code of Conduct, the Consequence may be expulsion from Norwalk Catholic. Restitution for loss or damage may be required, in addition to any other prescribed Consequences.

Levels of Consequences and options for progressive interventions follow. Repeated chronic or cumulative offenses may require higher levels of Interventions/Consequences. For serious violations, Interventions/Consequences may begin at a higher level. For chronic/repetitive (3 or more) violations, Interventions/Consequences may be considered a higher level offense. The determination of raising the Consequence on the above criteria is at the discretion of the administrator.

A higher level offense may be assigned lower level Consequences depending on the developmental age of the student in conjunction with the intent of the act. The determination of lowering the Consequence on the above criteria is at the discretion of the administrator.

The list of violations is not exhaustive and the Code of Conduct is designed to be flexible as new situations arise. The school reserves the right to suspend or expel any student at the discretion of administration. Policies in this handbook apply to after school hours as well.

The list of Interventions is not exhaustive. Any combination of Interventions from a prior level may be used in a higher level offense as long as an Intervention from that level is also employed.

	Level 1	Level 2	Level 3
I N T E R V E N T I O N S	<i>Select appropriate Intervention(s) for the student/situation:</i> • Call parent/guardian • Administrator conference with student • Re-teach expectation(s) • Review potential consequences for future violations	<i>Select appropriate Intervention(s) for the student/situation:</i> • Meet with school counselor • Convene a team with school staff and parents/guardians • Develop a behavior contract	<i>Select appropriate Intervention(s) for the student/situation:</i> • Make a referral to outside counseling agency • Make a referral for a Functional Behavioral Assessment

The list of Consequences is not exhaustive. Any combination of Consequence from a prior level may be used in a higher level offense as long as a Consequence from that level is also employed. A higher level consequence may not be used in a lower level offense.

	Level 1	Level 2	Level 3
C O N S E Q U E N C E S	• Warning from the Administrator • Detention • Temporary loss of privilege • Temporary removal from class	• Complete loss of privilege • In-School Suspension • Detentions (2+) • Emergency Removal • Saturday School • Out of School Suspension (1-3 days)	• Out of School Suspension (1-10 days) • Expulsion • Notification to the local authorities • Convene a team with Parents/Guardians to explore supports and services

Consequence Definitions

Detention - Student attends school and time is spent in silence with an adult before school, after school, or during lunch for a period of less than one hour.

Emergency Removal - Student is sent home immediately for the remainder of the school day and potentially the next day. The student will receive full credit for completed work.

Expulsion - Student is excluded from school or school sponsored events for a period of time that exceeds 10 school days. May also lead to unenrolling in Norwalk Catholic. The student will receive full credit for completed work.

In-School Suspension - Student attends school but completes work in a separate location from the typical classroom. The student will receive full credit for completed work.

Out of School Suspension - Student does not attend school or school sponsored events for a period of one to ten school days. The student will receive full credit for completed work.

Saturday School - An extended detention of five hours, typically served on Saturday morning.

Dear St. Paul High School Parents and Students,

Welcome to a new school year at St. Paul High School.

Whether you are joining us for the first time or returning as a member of our Flyer family, I am grateful for the opportunity to partner with you in the education and formation of your child. At St. Paul, we believe education is about much more than academic achievement. Our mission is to form young men and women of faith, character, integrity, and service who are prepared to lead lives rooted in Christ.

Being a Flyer is about more than attending a school, it is about belonging to a community with a proud tradition and a shared commitment to excellence. Flyers are called to treat others with dignity and respect, to take responsibility for their actions, and to represent our school with pride both on and off campus. We strive to create an environment where every student feels valued, challenged, and supported as they grow spiritually, academically, socially, and emotionally.

Respect is one of the foundational expectations of our school community. We expect students to show respect for God, for themselves, for their classmates, for faculty and staff, and for the traditions of St. Paul High School. This respect is demonstrated through words, actions, appearance, and daily conduct. When students embrace these expectations, they contribute to a positive culture that benefits the entire school community.

As we continue to strengthen our school environment, families will notice several important updates to this year's Student Handbook. Among these are revisions to our Uniform Policy, designed to promote consistency, professionalism, and school pride among our students. We have also updated our Drug, Alcohol, and Tobacco Policies to provide greater clarity regarding expectations and consequences. These policies reflect our commitment to student well-being, personal responsibility, and maintaining a safe and healthy learning environment.

I encourage all parents and students to review this handbook carefully. The policies and procedures outlined within it are intended to support our mission and help ensure a successful school year for everyone. By working together as students, parents, faculty, and staff, we can continue to uphold the values that have defined St. Paul High School for generations.

Thank you for your continued trust, support, and commitment to our school community. I look forward to another outstanding year as we grow together in faith, knowledge, and service.

Sincerely,

Michael Gocsik

Principal

I: Issued Incomplete for quarter**

**An Incomplete grade shall be issued for the quarter only when a student has missed significant excused time out of school without the benefit of having time to make up the work. An “I” will automatically become an “F” after one week unless the principal deems an extension is necessary.

GRADE POINT AVERAGE (GPA) for a year is determined by adding the point values for all courses and dividing by the total credits earned in high school classes.

GRADE REPORTS are given out at the end of each quarter. The final grade in a course counts each quarterly grade as 20 percent and each semester exam as 10 percent.

EHOVE: Every effort is made to schedule all required classes (i.e. Religion, English, Math, Social Studies, Science) at Norwalk Catholic for students who wish to attend EHOVE. It is important for our students to have more time at Norwalk Catholic so as to remain connected to their classmates and participate in the school mission.

ADVANCED PLACEMENT (AP) COURSES

An AP course is a college level course offered to high school students. The content of the course and the rigor with which it is approached are the same as experienced on the college campus. A college text is used. Students enrolled in an AP course should consider taking the AP examination conducted by the College Board in May. If the college of the student’s choice accepts AP and if the student achieves an acceptable score on the AP exam, the college may grant credit for the course at no additional expense beyond the examination fee. Grades from AP courses are weighted in computing a student’s grade point average, quality points and rank in class.

COLLEGE CREDIT PLUS (CCP)

CCP is Ohio’s dual enrollment program that provides students in Grades 7-12 the opportunity to earn college and high school credits at the same time by taking courses from Ohio colleges and universities. The purpose of this program is to enhance students’ career readiness and postsecondary success, while providing a wide variety of options to college-ready students, at no or limited costs to students and families. The facts for non-public school eligibility can be found at <https://www.ohiohighered.org/ccp/faqs#b>. College-readiness is determined by the application requirements of the participating institution of higher education, and typically requires applicants to submit a qualifying ACT, SAT or ACCUPLACER placement score with the student’s CCP application.

Norwalk Catholic students enrolled in the CCP program are still required to adhere to all high school requirements. In accordance with Ohio Revised Code 3333-1-65.1 an informational meeting will be held each school year prior to the first of February. Courses are available on Norwalk Catholic campus, online, and on the campus of any Ohio college or university. Please keep in mind when scheduling classes that you must meet the requirements at Norwalk Catholic in order to receive a diploma from Norwalk Catholic. CCP students should take all required courses (i.e. Religion, English, Math, Social Studies, Science) on the Norwalk Catholic Campus, if possible.

STUDENT RECOGNITION GRADES 7-8

Valedictorian and salutatorian are the two seniors with the highest averages at the end of 15 quarters in high school (end of third quarter of senior year). Awards such as class Top 10, Honor cords, and other academic awards are based off of cumulative GPA at the end of 15 quarters as well.

Students must meet the following criteria to earn Academic recognition each school year.

- ACE Award: students must maintain a minimum 4.0 grade point average for the current school year. This includes not only their quarter grades, but also exam grades.
- Academic Letter: students must maintain a 3.5-3.999 GPA for the current school year. This includes not only their quarter grades, but also exam grades.

HOMEWORK

Students are required to complete their homework as assigned by teachers. Failure to do so will be considered a violation of the Student Code of Conduct and subject to disciplinary consequences.

MAKE-UP WORK

It is at the discretion of the individual teacher on how they want to communicate to students and families regarding missing work and if a signature from the parent acknowledging missing work is necessary. Collection and recording of make-up work is also the responsibility of the individual teacher. Rigor over rigidity is the over reaching thought and theme in regard to these matters. As a guide it is highly recommended that in the event a student is absent for a period of days, the same amount of time is given to allow that student to make up the work. For example, if a student has missed 5 days due to illness, it is reasonable to provide that student 5 days after their return to make up their work. Reasonable consideration must also be given for holidays and breaks. It is important to note that you do not have to accept late work and zeros are acceptable. If a student has chronic missed assignments, it is recommended that teachers assign the student a Saturday Study Table to complete their work.

Saturday Study Table - If a student is unable to complete an assignment, they may be assigned to a Saturday Study Table. A Saturday Study Table is an escalation of missed assignments and is a disciplinary action handled in conjunction with the Dean of Students. A teacher may assign a Saturday Study Table to a student to complete missing work. No more than 3 study tables can be assigned per assignment. The maximum grade for any work needed to be completed via a Saturday Study Table is 80%. Giving full credit for an assignment completed in the study table is not recommended. It is at the discretion of the teacher how many Saturday Study Tables they will allow a student to complete an assignment but the maximum is three (3). If after three Saturday Study Tables the work remains incomplete, it will be recorded as a zero.

Students in the study table will be allowed to leave the study table once their assignment is turned into the Study Table monitor. The Saturday Study Table will be held in the same location as Saturday School, but as stated above, Study Table Students are free to leave once they complete and turn in their assignments.

LOCKERS

All students are assigned a locker in which to store their belongings. Students may not share lockers. There must be no unauthorized change of lockers. The locker is on loan for the year and the student is responsible for the condition and contents. Damage to the locker will be repaired at the expense of the student to whom it is assigned. School officials may search student lockers if there are reasonable grounds to believe the student is using the locker to store and/or conceal illegal substances, stolen property, or other items related to a violation of a school rule. Students may attach items to the interior of the locker with magnets only. Tape should never be used on the lockers. Inappropriate pictures and sayings found in student lockers will be removed. The school is not responsible for lost or stolen items.

WORK PERMITS

Students who secure a job and who are not yet 18 years of age are required to file a work permit. Work permit applications are available at the main office.

DRIVING AND PARKING

Driving to school is a privilege. Students who have their parents' permission to drive to school may do so. The parking permit is transferable from one family vehicle to another and is valid for only the current school year. During school hours, students are to park only in the student parking lot and only within the lined spaces. The campus speed limit is 10 miles per hour at all times. Speeding and reckless driving on school grounds will result in the possible forfeit of the student's privilege to drive to school. Students are not permitted to loiter in the parking lot nor return to their vehicle without permission of an administrator. Illegally parked cars may be towed at the owner's expense. Cars may be searched by school administrators or police at any time. The school is not responsible for theft or vehicle damage.

SIGNING OUT

Any student in the halls or other areas of the campus while classes are in session must sign out at the Main Office of the school. This includes using the restroom and retrieving items from a locker. Failure to sign out will result in disciplinary action for being out of assigned area and potentially truancy.

SUPPORT FOR HUMAN LIFE

Students, male and female, who are involved with pregnancy, will be handled as individual cases. Every effort will be made to provide compassionate support to the students by the administration, school counselors, and the campus minister.

PROPER CONDUCT AT SCHOOL FUNCTIONS AND ACTIVITIES

It is important to be mindful that the Student Code of Conduct applies to all students at all times. This includes school sponsored events and activities as well as events and activities outside of school. The behavioral expectations for all students, no matter the place or activity are defined using three fruits of

the Spirit: Joy, Kindness, and Self-Control. Students are taught these expectations and are expected to meet them.

Below is an example of the expectations in an **athletic contest** setting:

Joy	Kindness	Self-Control
- Loudly cheering for classmates and other students - Encouraging other peers to attend games and involving them in chants and cheers - Respecting our rivals by always putting our best foot forward in all we do	- Helping younger students get involved in student section - Being silent when a player is injured - Cheering FOR our Flyers and not against others.	- Appropriate tone, volume, and language with all cheers and chants - Respecting the property of other schools by picking up trash - Focusing on our team and not the other.

Below is an example of the expectations in an **assembly/pep rally** setting:

Joy	Kindness	Self-Control
- Be loud but respectful - Always stand but sit when instructed to do so - Sing the Fight Song and Alma Mater	- Encourage peers to participate - Cheer FOR your team but not against others - Listen for instructions - Participate	- Appropriate tone, volume, and language - Lead by example and come ready to have fun - Keep hands and feet to yourself

Below is an example of the expectations in a **school dance** setting:

Joy	Kindness	Self-Control
- Dance, appropriately of course - Have fun - Enjoy being in the company of friends	- Compliment others - Show courtesy to guests - Respect chaperones - Volunteer to help set up/clean up	- Not using drugs or alcohol at any time - Modest clothing - Dancing appropriately

EXTRA-CURRICULAR/CO-CURRICULAR

PHILOSOPHY

Participation in extra-curricular/co-curricular activities is a privilege extended to all students of Norwalk Catholic. Students are expected to conduct themselves in a manner that meets the highest standards of Norwalk Catholic at all times. These policies are designed to specifically establish high expectations and standards for all students participating in extra-curricular/co-curricular activities, in addition to regular school conduct policies as referenced in the Norwalk Catholic Parent/Student

Handbook. Each head coach, advisor, or director may also establish additional policies pertinent to their extra-curricular/co-curricular activity.

SPORTSMANSHIP AND ETHICS POLICY

Norwalk Catholic is committed to the promotion of good sportsmanship through the education of students, teachers, parents, coaches, principal, and fans in the area of integrity and ethics. Classroom and extra-curricular activities are enhanced when a spirit of goodwill and fairness are the foundation upon which competition is fostered. Norwalk Catholic encourages participation in educational and extracurricular activities for all students, and promotes the demonstration of support through attendance and encouragement to the participants. Admission and participation in school events are privileges that are contingent upon behavior that is respectful of players, coaches, officials, and all others in attendance. Inappropriate behavior will not be tolerated and may result in removal from the activity as well as suspension from involvement in future activities, and school discipline including, but not limited to: detention, Saturday School, suspension, and expulsion.

ELIGIBILITY (Athletics/Extra-Curricular)

Students failing two classes at the end of a grading period will be ineligible to participate in extra-curricular activities until the next grading period and must demonstrate academic improvement to the level of no more than one failing grade in all subjects taken. Failure to improve will result in denial of participation to another grading period. Students must also maintain a 1.7 grade point average to be eligible. If a student does not maintain the quarterly grade point average of 1.7 they will be declared ineligible the next grading period. The final decision on all athletic and extracurricular eligibility is at the discretion of the principal.

ALCOHOL, DRUG, and TOBACCO POLICY

Athletic and Extracurricular Participation (Grades 7–12)

At **St. Paul High School**, a ministry of Norwalk Catholic, we are committed to forming young men and women who honor God with their lives and care for the gifts of mind, body, and spirit entrusted to them. Participation in athletics and extracurricular activities is a privilege that reflects a student's commitment to personal integrity and to the values of our Catholic community.

A Year-Round Commitment

Enrollment at St. Paul High School signifies a student's commitment to a **12-month alcohol-, drug-, and tobacco-free standard of conduct**. This expectation applies at all times—during the academic year, throughout the summer months, on and off campus, and regardless of whether school is in session.

Any violation of the school's substance use policy carries implications for the **duration of a student's career at St. Paul High School**, whether that career spans six years (grades 7–12) or fewer. These standards are rooted in our mission and are intended to guide students toward lifelong habits of responsibility and healthy decision-making.

The use, possession, distribution, or being under the influence of alcohol, illegal drugs, controlled substances without a valid prescription, vaping products, or tobacco in any form is strictly prohibited.

Education, Assistance, and Accountability

St. Paul High School recognizes that effective prevention requires both **education and assistance**. Our approach acknowledges the realities facing young people today and seeks to respond with clarity, compassion, and responsibility.

We are committed to:

- Providing age-appropriate drug and alcohol education
- Offering access to counseling services and student support
- Encouraging early intervention and treatment when needed
- Partnering closely with families to promote healthy, life-giving choices

Both the educational and assistance components of this policy share the same objective: to help our students make decisions that reflect their dignity as children of God.

Self-Referral for Assistance

Students and families are encouraged to seek help proactively.

Information received from a student and/or parent who **voluntarily self-refers** to school authorities regarding the student's illegal or illicit substance use will be maintained in confidence and will not, in itself, serve as the basis for disciplinary action.

In cases of self-referral:

- The student's counselor will be notified and will meet with the student to determine specific needs.
- All recommendations of the counselor must be followed. These may include meeting with a drug prevention specialist, professional counseling, and/or participation in a substance testing program.

Self-referral does **not** provide immunity from disciplinary action if a student continues to use, possess, or distribute controlled or other illicit substances. Additionally, a self-referral must occur **before** the student is discovered to be using or possessing such substances by school personnel or law enforcement officials.

This provision reflects our desire to remove barriers to seeking help and to encourage honesty and responsibility.

Consequences for Violations

When a violation of this policy occurs outside of self-referral provisions, the response will reflect both accountability and pastoral care.

A student found in violation will be **indefinitely suspended from all athletic and extracurricular activities**. This suspension will remain in effect until all of the following conditions have been met:

1. Development of a Safety and Wellness Plan

A personalized safety and wellness plan will be created in collaboration with school administration, the student's parent(s)/guardian(s), and appropriate professionals.

2. Successful Completion of an Intervention Program

The student must successfully complete an approved diversion and intervention program, which may include professional counseling, substance abuse education, or treatment services.

3. Agreement to a Testing Program

The student and parent(s)/guardian(s) must agree to participate in and comply with a substance testing program as outlined by the school.

Violations to the school's Alcohol/Drug/Tobacco, Vaping policy are considered a serious violation of the student Code of Conduct which requires Level 2 and Level 3 Interventions and Consequences found on pages 18-19 of the student handbook. In addition to what is listed above, Level 2 violations of the school's code of conduct may result in a loss of 20 percent of a student's season and forfeiture of awards and participation in team banquets. A Level 3 violation may result in a 50 percent loss of the student's season and possible dismissal from current and future extra-curricular activities. The Norwalk Catholic principal, athletic director, and president ultimately have the final authority on all extracurricular consequences.

Consideration for Reinstatement

Once the safety and wellness plan has been implemented and the required intervention has been successfully completed, the student may be considered for reinstatement to athletic and extracurricular participation.

Reinstatement is not automatic. The decision to allow a student to return to participation rests solely at the discretion of the Principal, the Athletic Director, and the President of Norwalk Catholic. This determination will consider the student's demonstrated accountability, growth, and readiness to once again represent St. Paul High School with integrity. Rooted in our Catholic mission, this policy seeks not only to set clear expectations, but to walk with students and families in a spirit of truth, support, and hope. Our ultimate goal is not punishment, but formation—helping each student grow into the person God calls them to be.

PRAYERS AND SCHOOL SONGS

PRAYER FOR THE START OF THE DAY

Jesus, I invite you to join me on my journey this day. Help me to seek to put my best foot forward in all I do – in the classroom, in the hallways, in the lunchroom. Help me to be kind and respectful to others in my words and in my actions. This day I pray, Jesus, that I may use the gifts you have given me to better myself and those around me. Through Your love in me, may others come to see you in my actions. May all I do – all my laughter, all my joy, all my tears, all my pains, each thought, word, and deed be used for your greater glory. Amen.

PRAYER FOR THE END OF THE DAY

Thank you, Jesus, for this day you have given me. Thank you for the trials and the joys. Thank you for the victories and the defeat. Forgive me for the times I failed to embrace the differences and difficulties that this day offered. Forgive me for the times I failed to reflect your unconditional love towards others. Thank you for continuing to journey with me, even when I felt like I was failing. Help me to seek to serve you better in the activities of the evening and to return with a rejuvenated positive attitude to try again tomorrow, so that I may continue to grow in your love. Amen.

THE MEMORARE

Remember, O most gracious Virgin Mary, that never was it known that anyone who fled to thy protection, implored thy help, or sought thy intercession was left unaided. Inspired with this confidence, I fly unto thee, O Virgin of virgins, my Mother. To thee I come, before thee I stand, sinful and sorrowful. O Mother of the Word Incarnate, despise not my petitions, but in thy mercy, hear and answer me. Amen.

SALVE REGINA

Hail, holy Queen, mother of mercy, hail, our life, our sweetness and our hope! To you we cry, poor banished children of Eve; to you we send up our sighs, mourning and weeping in this valley of tears. Turn, then, most gracious advocate, your eyes of mercy toward us; lead us home at last and show us the blessed fruit of your womb, Jesus. O clement, O loving, O sweet Virgin Mary! Pray for us, O holy Mother of God, that we may be made worthy of the promises of Christ.

ALMA MATER

Oh come and sing of high school days
And St. Paul High School we will praise.
Though the years have quickly passed
Our memories will always last.
Raise your voices, raise them high.
Our aspirations reach the sky
And our love will never die.
For we'll be true to St. Paul High.

FIGHT SONG

Fight that team across the field
And show 'em the Flyers are here.
Send the earth reverberating
With a mighty cheer. Rah! Rah! Rah!
Hit them hard and see how they fall.
Never let that team get the ball.
Hail! Hail! The gang's all here
And we're out for a victory!

DIOCESE OF TOLEDO POLICIES

TECHNOLOGY ACCEPTABLE USE POLICY

I. Diocesan Statement on Technology

With Jesus, the Great Communicator, and in the spirit of our Christian tradition, we recognize that we live in a new media age, immersed in a new culture with an evolving language and method of communication. We propose to make use of the most effective means available to communicate the integration of faith and culture, which is at the center of Catholic values and education.

The use of new technologies presents new possibilities and challenges for the mission of the Church and Catholic education. The Church views emerging technologies as gifts of the Spirit to this age and challenges “God’s faithful people to make creative use of new discoveries and technologies for the benefit of humanity and the fulfillment of God’s plan for the world” (*Aetatis Novae*, #2, #3; Rome, 1992). In keeping with the mission of the Catholic schools to promote values for a lifetime, the schools will instruct about and guard against inappropriate, unethical, and illegal use of the Internet by the student or adult user.

II. Introduction

The purpose of the Acceptable Use Policy is to clearly explain to students, parents, and school staff members the expectations that users of the system are expected to uphold. This document entails the practical considerations that need to be made by users of the system and carefully outlines exactly what practices are encouraged or forbidden by the school. The Acceptable Use Policy (AUP) gives students a clear statement of what is expected of them in terms of the day-to-day use of school technology and related services.

At Norwalk Catholic, students are allowed to have personal electronic devices in their possession during the school day. Cellphones are to be stored in a backpack or locker from the beginning of the school day, until the end of the school day and cannot be used unless given permission by a teacher and/or office personnel. The presiding teacher may have an alternative method of controlling the use of said devices and their method shall be followed. Should a student violate this policy, the device(s) will be collected and turned into the designated administrator. The student will be allowed to retrieve the device(s) at the end of the school day from said administrator. The administrator shall determine, and be free to impose any further or future restrictions on the use of said device(s) by the student while on school property.

The following policy applies to school computers, technological devices, and networks and is in effect

whenever these are in use, on or off school property. Even if a user is using a school-issued computer after school, this policy still applies. To gain access to school technology and the Internet, all students of Norwalk Catholic, Norwalk, Ohio must obtain parental permission and attend a series of required Internet training sessions. GOOGLE APPS FOR EDUCATION ACCEPTABLE USE POLICY

Use of Google Apps for Education Account

While attending Norwalk Catholic, each student has access to Google Apps for Education (GAFE). The Google Apps "suite" includes word processing, spreadsheet, presentation, calendar, email, Classroom and many other collaborative tools. Additionally, this suite of applications is available in "the cloud", which allows our students immediate access to their work, from any device, be it a smartphone, tablet, laptop, or desktop computer. Finally, a student's Google Apps login allows them to access our classroom mobile devices, in the form of Chromebooks and Android tablets. In order to create a safe, effective way for students and staff to communicate with one another, Norwalk Catholic issues to each student a GAFE account under the domain @NCSmail.org. Students access their account using Gmail. Norwalk Catholic is required by the Child Internet Protection Act (CIPA) to have measures in place which protect students from harmful materials. As such, Norwalk Catholic takes the following steps with student email usage:

Students in Grades P3-6 cannot send or receive emails to addresses that do NOT end in @NCSmail.org. This applies to receiving emails as well, as we will be blocking all email to students from outside of Norwalk Catholic. The student email service will be turned on for grades 7 through 12 only. Grades 7-12 will have the ability to send and receive emails with external sources. Student Gmail is ad free, and is filtered for spam and inappropriate content. All ncsmail.org account emails are archived automatically, and are searchable by administrators at any time, should the district deem it necessary.

Norwalk Catholic also has the duty to abide by the Children's Online Privacy Protection Act (COPPA), which limits companies from collecting personal information from students under 13. To meet this duty, Google advertising is turned off for all Google Apps for Education users, both staff and students. No personal information is collected while students are utilizing Gmail, or the Google Apps core suite which includes restricted Gmail, Classroom, Drive, Calendar, Docs, Sheets, Slides, and Sites.

Norwalk Catholic will act in accordance with the Family Education Rights and Privacy Act (FERPA) and not use the Google Apps for Education suite to publish any confidential student records for online public view. Additionally, parents have the right at any time to investigate the contents of their student's email account, and/or their student's Google Apps for Education files. School staff are responsible for monitoring a student's behavior online during the school day, while parents take over that responsibility at home. Students are responsible for their behavior at all times.

Students that adhere to proper use of Google Apps for Education, including email (if applicable), will do so by demonstrating the following behavior:

- Students will have no expectation of privacy with their Google Apps account, and thus should remain committed to using it academically and professionally.
- Students will avoid, at all costs, using their Google Apps for Education to promote any unlawful activities or personal financial gain.

Students will be responsible for their own accounts, and will not act in a way that compromises the security of their account. At the same time, students will not act in a way that jeopardizes the account security of another student or staff member.

Access to, and the use of, Google Apps for Education is considered a privilege and benefit to students in our district. Norwalk Catholic maintains the right to immediately revoke the access and use of the Google Apps suite, including Gmail, where the district has reason to believe violations of law or district policy have occurred. Under normal circumstances, the district will follow the consequences process outlined in this document.

The Diocese of Toledo and the Catholic Schools Office believe that all of our Catholic schools must be aware that their purpose is rooted in the mission of the Church and the message of Jesus Christ. It is essential that a safe, positive and productive educational environment be established where students can achieve the highest academic standards, where no student shall be subjected to bullying, intimidation or harassment.

Pastors, administrators, faculty, counselors, school nurses, custodians, bus drivers, athletic coaches, advisors to extracurricular activities, and any other school support staff, are to expect that all students behave appropriately and treat others with civility and respect. Bullying, harassment or intimidation will not be tolerated in any of the Diocese of Toledo Catholic Schools.

C. PREVENTION AND INTERVENTION PLAN:

Procedures for reporting:

All school employees are required to report alleged violations of this policy to the administrator or the administrator's designee. All other members of the school community, including students, parents, volunteers, and visitors, are encouraged to report any act that may be a violation of this policy. Reports may be made anonymously, but formal disciplinary action may not be based solely on the basis of an anonymous report.

Individuals who feel that they have been harassed should:

- Communicate to the harasser that the individual expects the behavior to stop, if the individual is comfortable doing so. If the individual wants assistance communicating with the harasser, the individual should ask a teacher, counselor or administrator to help.
- If the harassment does not stop, or the individual does not feel comfortable confronting the harasser, the individual should:
 - tell a teacher, counselor or administrator; and
 - write down exactly what happened, keep a copy and give another copy to the teacher, counselor or administrator including; what, when and where it happened; who was involved; exactly what was said or what the harasser did; witnesses to the harassment; what the student said or did, either at the time or later; how the student felt; and how the harasser responded.

Norwalk Catholic encourages the use of the ANTI-HARASSMENT/BULLYING COMPLAINT FORM for reporting. Copies of this form are available in the school office.

Investigation Procedure

The investigator will reasonably and promptly commence the investigation upon receipt of the complaint. The investigator will interview the complainant and the alleged harasser. The alleged harasser may file a written statement in response to the complaint. The investigator may also interview witnesses as deemed appropriate. Upon completion of the investigation, the investigator may make written findings and conclusions as to each allegation of harassment and report the findings and conclusions to the administrator. The investigator may provide a copy of the findings of the investigation to the administrator.

Resolution of the Complaint

Following receipt of the investigator's report, the administrator may investigate further, if deemed necessary, and make a determination of any appropriate additional steps which may include discipline. Prior to the determination of the appropriate remedial action, the administrator may, at the administrator's discretion, interview the complainant and the alleged harasser. The administrator may file a written report closing the case and documenting any disciplinary action taken or any other action taken in response to the complaint. The complainant, the alleged harasser and the investigator will receive a written or verbal notice as to the conclusion of the investigation.

Points to Remember in the Investigation

- Evidence uncovered in the investigation is confidential.
- Complaints must be taken seriously and investigated.
- No retaliation will be taken against individuals involved in the investigation process
- Retaliators will be disciplined up to and including suspension and expulsion.

In cases where the aggressor or target is not a student at this school, information shall be disclosed to the administrator of the public, private or charter school in which the student is enrolled. The custodial parent(s) or guardian(s) of any student involved in a prohibited incident will be notified. Consequences and appropriate remedial actions for a student or staff member who engages in one or more acts of bullying or harassment may range from positive behavioral interventions up to and including suspension or expulsion, in the case of a student, or suspension or termination in the case of an employee, as set forth in the governing board's approved code of student conduct or employee handbook.

Consequences for a student who commits an act of bullying and harassment shall vary in method and severity according to the nature of the behavior, the developmental age of the student, and the student's history of problem behaviors and performance, and must be consistent with the board of education's approved code of student conduct. Remedial measures shall be designed to: correct the problem behavior; prevent another occurrence of the behavior; and protect the victim of the act. Effective discipline should employ a school-wide approach to adopt a rubric of bullying offenses and the associated consequences.

The Norwalk Catholic Governing Board prohibits reprisal or retaliation against any person who reports an act of bullying or harassment or cooperates in an investigation. The consequences and appropriate remedial action for a person who engages in reprisal or retaliation shall be determined by the administrator after consideration of the nature, severity, and circumstances of the act.

The Norwalk Catholic Governing Board prohibits any person from falsely accusing another as a means of bullying or harassment. The consequences and appropriate remedial action for a person found to have falsely accused another as a means of bullying or harassment may range from positive behavioral interventions up to and including suspension or expulsion. Consequences and appropriate remedial action for a school employee found to have falsely accused another as a means of bullying or harassment shall be in accordance with district policies, procedures, and agreements.

POLICY STATEMENT ON GENDER-RELATED MATTERS

The Catholic Church has always believed that her first mission given her by Christ Jesus is the salvation of souls. The Church must be true to her own identity and mission. Thus, the teachings of the Catholic Church must permeate all aspects of her activities. As a result, the Catholic community has a responsibility to be a witness to truth, charity, and justice based on the Gospel; and must always strive to be respectful of persons and understanding of the struggles present within and among the people of God. It would be inconsistent with the Church's mission to teach, promote, or encourage anything that is contrary to the teachings she has received from God and which the Magisterium has clearly and consistently articulated. For this reason, the Church cannot, and may not, sponsor, endorse, facilitate, or host such organizations, events or activities that would promote such views, in any form or format whatsoever.

With specific regard to the human person, the Catholic Church has always and everywhere affirmed her belief that each and every human being is created in the image and likeness of God. As such, every person deserves respect, dignity, and freedom from discrimination. By remaining true to what Christ has taught concerning the human person, the Church encourages individuals to accept their own bodies and gender as they were created^[1], and seeks to help all people to recognize that the current attempts in modern culture to redefine gender and social institutions, as well as alter the nature and purpose of human beings, are misguided and not in accord with the truth. Therefore, it would be morally unacceptable for the Catholic Church, including the Diocese of Toledo, its parishes, schools, or ecclesiastical organizations to provide accommodations based on anything which in itself is contradictory or antithetical to the teachings of Christ and his Church, including notions of gender and sexuality that are contrary to Catholic teachings. For a fuller catechetical treatment of this topic, see Catechesis Regarding Human Dignity and Gender-Related Matters in the Appendix.

In Catholic parishes, schools and ecclesiastical organizations of the Diocese of Toledo, all activities and ministries are to be rooted in, and consistent with, the principles of Catholic doctrine. Therefore, in every parish, school and institution, all paid employees and unpaid volunteers will:

1. Treat all persons with sensitivity, respect, and compassion.
2. On a case-by-case basis, consider in a compassionate way any specific request sensitive to the physical and psychological needs of a person. The basis of the consideration will be on the following questions:

- i. What is the specific request of the adult, student and/or parent(s)/guardian?
 - ii. Is the request in keeping with the teaching of the Catholic Church?
 - iii. Is the parish, school or ecclesiastical organization reasonably able to provide for the request?
- 3. Require that names and pronouns be in accordance with the person's biological sex.
 - 4. Maintain names in records according to the person's biological sex.
 - 5. Confirm that uniforms and gender specific dress, bathrooms, locker rooms, showers, and sponsored activities will all be according to biological sex.
 - 6. Require that participation on athletic teams and extra-curricular activities be according to biological sex.
 - 7. Consult the Office of Marriage and Family Life with extenuating circumstances.
