

Proud to Partner with Hallow

Dear Norwalk Catholic Parents,

As part of our school's partnership with [Hallow](https://hallow.com/claim-student/), **the world's #1 Catholic prayer app**, your child has been set up with a Kids Profile for use at Norwalk Catholic. This gives students a safe, age-appropriate space to pray and grow in faith, with a curated content library.

As a parent or guardian, you have the option to **link your Hallow account to your child's school Kids Profile**. Linking is completely optional, and your child can continue using their profile at school either way. Once linked, you'll be able to switch into your child's profile from your own Hallow app to see what they're praying with.

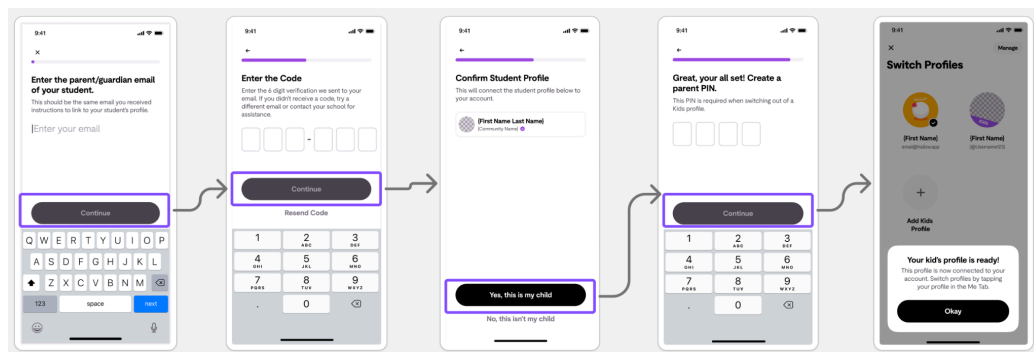

Before you begin

- You'll need a personal Hallow account. If you don't have one yet, download the Hallow app and create a free account.
- You'll need the email address our school has on file for you as your child's parent/guardian.

Hallow contains over 12,000 audio-guided prayers spanning from quick minute meditations to entire holy hours, dozens of music albums and 'playlists,' and everything in between. The app is specifically designed to offer something for everyone.

How to link your child's Kids Profile:

1. Click on this link: <https://hallow.com/claim-student/>
2. Enter your email address on file with the school
3. Enter the 6-digit verification code sent to that email address.
4. Confirm your child's name when their profile appears, by selecting "Yes, this is my child."
5. Create a 4-digit parent PIN. You'll use this PIN whenever you switch out of your child's profile back to your own.

Praying together as a family has never been easier now that your student has full access to everything on the platform, including hundreds of prayers specifically designed for Kids, Teens, and Families.

If you have any questions or if there is anything we can offer up in prayer on your behalf, please do not hesitate to reach out to us or the Hallow team directly at schoolpartners@hallow.app.
